

CASE MANAGEMENT SERVICES FOR THE NEW CHOICES WAIVER

The New Choices Waiver is designed to serve people who meet nursing facility level of care and who have been residing long term in a nursing facility or assisted living facility. The program provides supportive services to enable individuals to live in their home or other community-based settings.

Let EnVision Quality Supports assist you or someone you know, in moving from a nursing home to your own apartment, home, residential or assisted living placement.

case management services

At EnVision Quality Supports, our mission is to provide quality services and supports in a way that is individualized for each person. Our team of caring professionals will:

- Help you determine which services best meet your needs.
- Develop a plan of care that addresses medical, safety and resource issues.
- Coordinate with family, facilities, care providers and Medicaid.
- Regularly monitor services for quality of care and conduct annual assessments to assist you in remaining as healthy and independent as possible.
